The Honorable Joseph J. Farnan, Jr.  
United States District Court  
844 North King Street  
Wilmington, DE 19801

**Re: Nokia Corporation, et al. v. InterDigital Communications**  
**C.A. No. 05-16-JJF**

Dear Judge Farnan:

On September 5, 2007, InterDigital filed its Opposition to Nokia's Objections to Special Master's August 20, 2007 Decision. Now that the parties' respective submissions on the Special Master's decision have been filed, InterDigital respectfully requests the earliest possible consideration of Nokia's Objections, including, if Your Honor would find it helpful, oral argument. Though Nokia's Objections were not specifically noticed for either of the Court's upcoming motion hearing dates, September 21, 2007 or October 5, 2007, InterDigital is prepared to appear before Your Honor on either of these dates, or before, to present argument on these matters, if oral argument would be helpful to the Court. Given the discovery at issue, InterDigital's preference is to do whatever the Court desires to have these objections resolved at the Court's earliest convenience.

Counsel are available at the Court's convenience to answer any questions  
Your Honor may have.

Respectfully submitted,

*/s/ Richard L. Horwitz*
